◀ **SMART BUY: HUGO GUINNESS
CHAIR, \$450** (12" x 14"); John
Derian, NY, 212-677-3917.

"Linocut prints look great grouped in multiples, and they're simple enough to work into any decor. Guinness places the prints in vintage frames himself, which means that although every individual design is made as a series of 100, each one is unique."

▶ **SMART BUY: PAUL VILLINSKI "MEMO (CLOUDS),"
\$1,800**; Morgan Lehman Gallery, NY, 212-268-6699.

"Villinski transforms found objects like beer and soda cans into butterflies. They install on the wall, either in groups or alone, and become kinetic when there's movement around them. They strike that balance between being beautiful but also—considering what they're made of—challenging. That's not seen very often, and it makes them a great investment."
